“Professional Signs for a Professional Look”

First Baptist Church, Sylacauga

“From the moment Danny Williams started to make his presentation to our church about a new state of the art digital sign, I knew that Reliable Signs would be our church’s choice! The quality of the presentation, the knowledge of signage and a willingness to listen to our needs and answer our questions were just a few of the impressive qualities we noticed. First Baptist Church has a unique architecture, and we wanted the sign to blend in with the architecture but stand out to the crowds of people who pass by our busy intersection each day.

Reliable Signs delivered! They were efficient, on budget and most of all ON TIME! We have already seen new faces around First Baptist Church as a result of the message on the sign. Thanks to Reliable Signs for giving us a beautiful sign, which has already become a voice to people who otherwise we would have never reached!”

— Tim Childers, senior pastor
